

POLITIQUE QUALITE

« We have always given priority to quality within our company. This approach has enabled us to build our reputation and contributed significantly to our development and market position.

Our Quality Policy is based on a number of values :

- Internally :

▪ Maintain a quality management system that complies with **ISO 9001:2015 certification** and the **directives of EC regulation 2023/2006,**

▪ Guarantee the **conformity and delivery times of our products,**
▪ Ensure constant innovation in our range of fittings and hoses

- Externally :

▪ Expand our partnerships in order to maintain and develop GECITECH's profitability in the manufacture of flexible hoses,

▪ Adapt to changes in regulations and standards, as well as those of our customers,

▪ Take into account the environmental and energy impact of our activities.

GECITECH's main goal and strategic direction is to be one of the world leaders in the field of stainless steel flexible hoses and fittings for the agri-food, pharmaceutical, chemical, cosmetics and biotechnology industries.

With its strong team, GECITECH is committed to achieving the objectives set out in its Quality Policy :

- Working on appropriate performance indicators to monitor and **continuously improve** our processes
- Reducing non-conformities and ensuring **customer satisfaction**
- Increase control of our orders before dispatch
- Provide the resources needed to implement these activities
- Take into account the **expectations and needs of our stakeholders**
- Pursue our commitment to **CSR.**

We invite our staff to become fully involved in achieving these objectives ».
